

## ***Response from Steve Bossert***

I liked the way the racing program was run last year. I would change the rule concerning what the penalty is for not doing committee duty. As long as you get someone competent to fill in then you should be scored just like you would if you did committee duty. You won't be allowed to race or be scored that day but you won't get a DSQ either. I would like to see more series races and more Saturday races. I also like Bob Unkel's suggestion of having a "standing race committee" that would hear any complaints or review any procedures.

The Back Porch is reserved for January 16<sup>th</sup> from 7:00 p.m. until 9:00 p.m. If we get many more than twenty we may have to go to one check. I told the reservation person (Linda) that we would work with them anyway we could if the crowd gets large. Do you have any feel for how many might be attending?
