

Response from Phil Nagel

Rick,

1. Last year was fine. However warning signs re: underwater cables at Ainsley's would be great :).
2. I would prefer all Saturday races none on Sunday and for the racing schedule to coincide with the social calendar. This would cause more participation in both.
3. Committee boat was a huge improvement and continued to improve during the season.
4. Seems fair to me.
5. First annual BLSA Naked Regatta. (don't worry i will just spectate)
6. Have all races on Saturday and schedule social events on race days.

Phil
